

2020 SHPE
National Convention

ASCEND TO TRANSCEND

Virtual Event ▲ Oct 26-31 ▲ shpe.org/2020

Attend the Largest Gathering of Hispanics in STEM!

The SHPE National Convention offers a unique opportunity to engage, support, educate, and advance the careers of Hispanic students and professionals. We encourage all who are invested in Hispanics in STEM – students, professionals, academics, hiring managers, and recruiters – to join us for an inspirational and transformational five days.

One convention. Five conferences. Mix and match sessions from one of our five conferences – Pre-College, Academic, SHPEtinias, Professionals in STEM, and Technology & Innovation – to create the experience that works best for you.

And so much more. The convention also includes competitions, special events, corporate tours, networking opportunities, and the exclusive Career Fair & Graduate School Expo with many of the leading STEM organizations in the world recruiting onsite.
