Intel®’s Purpose

To create world-changing technology that enriches the lives of every person on earth.
Corporate Responsibility at Intel®

INTEL'S RISE STRATEGY

RESPONSIBLE
Lead in advancing safety, wellness, and responsible business practices across our global manufacturing operations, our value chain, and beyond

INCLUSIVE
Advance inclusion across our global workforce and industry, and expand opportunities for others through technology, inclusion, and digital readiness initiatives

SUSTAINABLE
Be a global leader in sustainability and enable our customers and others to reduce their environmental impact through our actions and technology

ENABLING
Through innovation technology and the expertise and passion of our employees we enable positive change within Intel, across our industry, and beyond
RISE Video
THE DATA-CENTRIC WORLD

Over half the world’s data was created in the last 2 years. Less than 2% has been analyzed.
Key Industry Inflections

- 5G Network Transformation
- Artificial Intelligence
- Intelligent Edge

Cloudification of Everything
Powers the Future
